

... that best describes how you feel about this unit.

	Disagree		Agree
I felt confident taking this assessment.	1	2	3
I know more about statistics after this unit.	1	2	3

What was your favorite activity during this unit?
My favorite activity during this unit was the bottle flipping because it was fun and educational!!

What could I have done better when teaching this unit?

I don't know what you could have done better when teaching this unit. I really liked all the activities we did and how you taught us. I found it very fun and I still learned a lot too.

Thank you for the feedback, feedback!
You did a great job!
